Mortar Pak

Laying bricks? Concrete blocks? Rendering over an untidy wall? Right! You ought to know what you're about on projects like these and to you, mortar is mortar. We just make it more convenient. Don't get stuck with more mortar than you can effectively use in a day or a weekend.

Tuckpointing fretting brickwork and repairs to cracked concrete are well within its mix-to-mix specification.

Foreword

Unless there are some shock results this round the final four appears to be settled with Kelmscott just edging out Armadale and from other results it seems certain that we are in for a great final series.

Kelmscott after appearing gone at three quarter time turned in a top performance to defeat Armadale who really can only blame themselves if they miss the four as they lost several games which they should have won.

Kenwick crushed Kwinana and no doubt are hoping for a better 1978 season as they are capable of much higher performances. Kwinana must rebuild.

Canning returned to the winning list with a resounding win over Kalamunda and could be a big threat in the finals. Kalamunda only need a couple of players to be a top side.

Mandurah easily beat Thornlie however both sides must realize that a lot of work is required for them to challenge the top sides.

Gosnells scraped in, but they are definitely the side to beat. Maddington can only gain strength and still could retain their title.

TODAY'S GAMES:

Canning v Armadale Canning too consistent.

Kenwick v Kelmscott Kelmscott in a very close one.

Thornlie v Kwinana Thornlie at last?

Kalamunda v Gosnells Gosnells

Maddington v Mandurah Maddington too strong.

DEMONS DIGEST

1977 65 YEARS YOUNG

Well folks, this is our last game for 1977, our 65th Year, to be played at Canning, home of the Tigers. Take the tiger by the tail today you Demons, and ith some help from the Royals, you CAN get back in that four.

Last week, the League side came so near yet so far from making the fourth spot their's. By half time htey had the Bulldogs by the throat, with a six goal lead. But, Kelmscott got their teeth into the game, and once a bulldog does that, there's no way that he will let go. I think we all felt the players bitter disappointment, and I personally take my hat off to all of them. Top Demon for the day was that man who never thinks of losing at any stage of a game, Ross "Bull" Stephen. Close behind the "Bull" was Peter Barr with a great game also. The mark of the day went to our springheeled full forward, Colin Towers. How about making our 65th birthday one to remember today, you can do it fellas!

The Reserves game also resulted in a loss, and no excuses are offered. Top Demon in this game was that wiry little fella with a ton of guts, Alan "Hendo" Henderson. Wind-up on a high note today fellas with a do-or-die victory!

I must not close this last article without thanking, on behalf of the Club, our committee, our ladies committee, our many helpers, our sponsors, our players, and our loyal army of supporters, for all the time, effort, and money that they have all put into the Club for this year. Thanks to my kindred club writers for making this programme a reality every week, and to the readers for tolerating my somewhat flippant style of writing.

Thanks go to all our kindred clubs for their hospitality, and their patronage to our own home game socials.

Finally, don't forget these dates, Vote Count 25th September. Wind-Up 1st October and the Annual General Meeting on 6th November. Au Revoir.

PEEGEE

THE TIGERS

Today's game against Armadale sees us conclude our most successful qualifying round performance since 1967 and with promise of further success in the finals, the season thus far can be considered a most satisfying one.

Behind the performance of any successful team lie the unheralded efforts of those that constitute the basic foundations for a successful club, and while it is impossible to make mention of all deserve recognition for such efforts we would like to express our thanks through this column to the following people and sections of the Canning Football Club.

To our Ladies Committee, this year again under the capable leadership of Vern Fogarty, our most sincere thanks for a magnificent season's effort. Their execution of this particular aspect of club operation has not only been conducted in a highly efficient manner but has also resulted in a record financial profit — well done ladies.

Social Secretary Greg Sladden is only in his second year with our club, but it defies memory when the social committee has previously performed to such a high standard. Another record profit is listed here and due thanks to Greg and his small but hard working committee.

Probably the most arduous yet most important activity in our club is the Bingo nights. To those who have assisted here and in particular Len Joy and George Head, our club is deeply indebted.

We thank Andy Hocking and Geoff O'Neil, who have acted in the capacities of team runner and water-boy respectively. Andy has also been largely entrusted with the league team's general fitness programme and his results have spoken for themselves.

Our seconds today play their last game for the season and though no glory comes their way this year, without their efforts the results of our league side would not be possible. To each and every member of this side, bad luck, but well done, and we hope to see all your faces again next season.

THE BULLDOGS

August the 14th was the day of the Big "C" for the league representatives, "C" for confidence. Confidence within ourselves and towards each other was our only downfall before the start of the 3rd quarter against derby side Armadale. Eddy Donnes' full, non-stop half time aggressive, thundering, non nonsense speech hit home to all players and was carried forward with a great determined fighting Bulldog team which overpowered the Demons in the second half. Ray Witt with his high marking and long accurate kicking to goal; Kim Barrett fighting for every mark and kick he received; and the tireless ruck duo of Brian Andrijich and Selwyn Chapple were just a few of the top key players for the Bulldogs (I would run out of room if I put everyone down).

The Reserve side paved the way for the great double and showed the class that is required of a top four side. All 18 players on the ground formed into a winning team combination, but players such as Peter Lewis, Ian Clarke, Eddy Lucich, Paul Cassotti and Percy Hansen kept the combination working for 100 minutes. Bougart Turner must have half shares in the local tow truck firm, unlucky son. Last week the 18's played in an exciting 2nd semi-final against Gosnells. Players from both sides put all they could into the game, a draw was the fitting result (11.4 each) Barry Clarke, Robert Marken and Richard Chapman were only three of the better players on the day.

Well, let's just think about today's games against the Royals (league and reserves) and Gosnells (18's), yes fellows, we must win at all costs and we are going to do so because we want to. The season will not end today, for the Bulldogs.

SOCIAL: 1. 26th August Cabaret 8 p.m. to 1 a.m., John Dunn Hall, Music ISLANDERS \$3.00 single, fully licensed bar. 2. 28th August, win, lose or draw back to John Dunn for after semi-final drinks. 3. 2nd September Vote counting and sponsorship awards night. \$1.00 single and light supper provided, fully licensed bar. 4. 21st October Annual Wind-Up and Trophy Presentation night at Cannington Central — see notice board.

N.B. Congratulations to the S.S.M.N.F.L. for our long awaited publicity in the daily papers — Well done to the Author of those supplements.

KOUGARS

Today's game against Gosnells could be the highlight of the season for us, if all goes well. During the season we have strengthened our team, improved dramatically our teamwork and of course, have won more games than we have for more seasons than we care to remember, so to knock off the undefeated team in the competition, would be a fitting climax to the season for us. This somewhat formidable task is not beyond us, and playing at home will be an advantage, but it will require all the team to lift their game and play 100 minutes of hard team football.

Last weeks game was disappointing, not to be beaten by the margin we were, but the manner in which we were. Many of the players were playing well below their top form, and we will look to a return to top form from these players for this game today. Despite the loss, we still, had some excellent players on the day. Good efforts were turned in by Glen Harden, Greg O'Mara, Jeff Bingham, John Rose and Phil Hayes.

As this is our last game for 1977 I would like to thank all the people too numerous to mention here, who have helped us during the season, and to our supporters who we can promise better things for next year.

To the Gosnells players, officials and supporters, we invite you to join us at the Wattle Grove Hall immediately after the game for some eats and drinks.

THE LIONS

It was the return of the "Sunshine Boys" at Mandurah, Mad Dog Comley, Alfie and Wrinkly Ed but unfortunately their efforts could not save the day for the Reserves team Beaten with a Big B.

The league side again fought hard against the odds and kept their heads above water until half time, but then sank slowly but surely (into Peel Inlet). Players from both our teams must be given an E for Effort, during this particularly hard season, for battling on and keeping their spirits up each week. Coach Whyte has proved an inspiration to the guys with his worthy performance on the field and leadership, likewise has been the dedication shown by Bruce as President. A thank you to everyone (you know who you are) that has helped in some way to keep the club running smoothly.

Worth a mention is the job done by Alec and Wendy Granger and the committee in supervising (successfully) the junior body and having varied success with the teams on the field.

Check the club for social dates coming up.

Today is our last chance — let's make two Ws for Wins.

LION OF THE WEEK: It had to happen under threat of broken promises B. Miller. "Grandad" the Friday night pain in the neck, ask the ladies! Joined the club in 1970 from Victoria Park Amateurs, has enjoyed success in both teams, been a successfully trophy winner, trainer, boundary umpire, water boy, uncle of Wayne, Social Mang, female stripper, Bingo caller, lady footballer, cowshed barman, Father Christmas and other things I can't print. In a word a clubman forever.

Keep roaring til next April.

HAPPY DAYS.
MRS. LEO.

TALK OF BULL

Last week saw our league team produce a better brand of football that they have shown for most of the season. Even so, it was not good enough to beat the league leaders. A third quarter lapse proved very costly where we let Gosnells in and take the initiative away from us. Players in this team will have to guard themselves against these lapses in future matches, commencing in the match against Mandurah today.

Players to stand out in this game were Leon Henry, Milan Trifunovic, Steve Jancey and Colin Walker.

In what will possibly prove as being the most exciting game of the season both seconds side fought out the game to a draw. Even with the closeness of the scores no spite was introduced to the game.

After a very close three quarters the last quarter showed the fighting qualities of both teams as the lead changed on no fewer than four times. Players to stand out in this game were Jimmy Holroun, a very gutsy performance where he committed himself at all times, Mick O'Halloran, Gordon Mavril and Mark Schmook were others who stood out in a very even team performance.

Supporters are now looking forward to both teams maintaining the improved form through to the finals. And with a couple of players to return after injury, both our teams will be represented on "Grand Final Day."

SOCIAL: The Club's Annual Dinner and Trophy Presentation will be held on 14th October 1977 at the Gosnells Civic Centre.

THE HAWKS

Last Sunday provided outstanding matches for each of our teams. Firstly with a draw in the Under 19's encounter with Kelmscott followed amazingly with another draw by the Reserves against Maddington and to cap the day off a magnificent victory by the League against old rivals Maddington.

The League match was one of speed and a display of high standard throughout. The bulls dominated the first half and with their goal-kicking accuracy notched up a most impressive leading margin for the first half. In the third quarter undeterred the mighty Hawks completely took charge of the game and with their determination and brilliance displayed one of the best quarter of football by gaining the lead before the last quarter. The last quarter kept the big crowd excited as every contest for the ball was hand fought. Congratulations to every player in performing the task requested by coach Peter Dougan and for showing the character we have been looking for.

Best players in the league were Ian Gibson Norm Barratt, Barry Wodhead, Ray Minson and Errol Croft.

The Reserves match was another thriller and crowd pleasing spectacle. Both the Hawks and the Bulls should feel proud of their respective team efforts as this game could have been mistaken for a high standard league match. The Hawks played as a team and were unlucky not to win however they still remain in a top position and if team spirit is any indication they'll go on to give their supporters something to celebrate in the near future. Best players in this match were Bob Shaw, Carl Palinkas and Tim Barker.

The Under 19's played a hard fought match throughout against Kelmscott and missed out on a clear victory just as the final siren sounded when Kelmscott were awarded a free kick and went on to score a major which resulted in the match being a draw. The game stimulated a great amount of interest and spectator support was vastly improved. Best players in this match were Ross Leipold who won the Ampol Award, Brett Bowden and Shane Matison.

Social: Members and friends are requested to attend the club cabaret on Friday August 26th. \$2.00 per double. Basket supper.

PLEASE NOTE: Please keep October 28th free for the Annual Dinner and Presentation of Trophies. The venue will be the Canning Greyhound Centre. Tickets are reservations can be arranged with any of the committeemen.

MIGHTY ROYALS

Last week we had two very easy wins over Kwinana at Medina. Even though they were easy games, it was good to see that none of the players in either team relax the pressure at any stage. The best players in the seconds were Jeff Champion, unbeatable on the half back line, Laurie Winfield, a tremendous game, Mike Strang, 11 goals from centre half forward, Angle Fimognari, picked up many kicks on the wing, and Darryl Ogg, who carried the ruck all day.

The league game was of a high standard, with all the skills used to near perfection. Best players were Fred Seiner, rucked all day and was never beaten, Bill Truscott, 10 goals at full forward, Graeme Nicholas, great game at centre half back, Geoff Truscott and Alf Stal, our pair of rovers who usually play well every week.

As this is the last home game of the season, I would like to take this opportunity, on behalf of all the members, to thank everyone concerned in the running of the club, the ladies who help out in the kitchen every Sunday, Owen Rogers, our gatekeeper, Mike Carpenter, our time-keeper, Garth, who does the statistics, and the trainers, who get our players on to the ground each week.

The cabaret and fashion parade for the junior was a tremendous success. The senior fancy dress evening was quite hilarious and a good time was had by all who attended.

Don't forget the fairest and best count on a night in the not too distant future. The date should be arranged by today, so all you have to do is ask.

I would also like to take this opportunity to mention that the numbers who stayed behind at Medina last week was poor and not in the true character of Kenwick players and supporters.

THE KNIGHTS NOTES

After last week's games it is easy to understand why Kenwick seconds are unbeaten but difficult to understand why their League side is not in the four. We were given a complete football lesson and it is obvious heavy recruiting will need to be done to improve next year.

Best Players: League: G. Groenenberg, T. Davis, G. Cuckrov. Seconds: G. Frazer, G. Mills, T. Rueberry.

Congratulations, once again, to those players who fronted up for two games and those injured players making up the seconds sides.

Social Notes: The Annual Wind-Up is on October 7th and tickets may be ordered through the committee. All players and supporters are invited back to Geoff's place tonight.

Raffle tickets should be returned to the committee as soon as possible.

Today is a last game of the season against Thornlie and everyone in the club would be pleased with a winning double.
